## ***The Greatest Message Ever***

After months of teaching 4 days a week, twice a day we are just two days away from telling our Siar friends the greatest message of all time. The message that God came down from Heaven to **save us** from our sins and the punishment that it brings, eternal death. It is a phenomenal message isn't it? To think that God humbled Himself and came in the form a man to save those who have sinned against him. What would be the nicest thing you would do to your biggest enemy? Would you die for their good? Jesus did. It is a privilege and honor to proclaim Him to the Siar in their language so they can finally understand who Jesus really is and what He did for them to give them eternal life.

Many of our Siar friends are still coming and are hungry to hear the truth. I really wish I could share with you what everyone here is sharing with us; your faith would be strengthened in the power of God's gospel. It is simply amazing to see God's word do what it promises to do, and it has started to do that very work in the lives of our friends here. The work here isn't finished, not by any stretch of the imagination; however it has begun and we all can praise God for that.

As I write we have already taught on the last meal that Jesus had with His disciples. The next three days we will teach on the arrest, trial, crucifixion, burial and resurrection of our Lord Jesus Christ. Please be praying that the simple and powerful message of the gospel will be clear to our friends and all who hear it will believe.

## ***Thank you***

I wanted to thank all of you for your prayers, support, emails, etc. over the years. This work out here is a beautiful picture of the body of Christ working together, in different roles, to bring the message of Christ to the ends of the earth. You all are a part of it, thanks for your continual support, in its many forms.

Just by way of heads up...once the gospel is presented and our friends believe in Christ alone as their Redeemer, His church will be born. What does that mean? Quite frankly it means a numbers of things, one being that there is A LOT more work to do. It is our desire to disciple those who believe in the gospel of grace. Maturity takes time and God wants His church here in Siar land to be mature, standing on the truth of His word and resting and walking in the Spirit. Please continue to pray with this in mind.

This Friday (Thursday in America) we will be proclaiming the greatest message of all time! 2 days away!

Chris for the Siar team.
