

Hi Everyone!

Exciting Independence Days Beginning Today! The missionary team to the SIAR (See R) People of Papua New Guinea are starting to teach the Old Testament foundations for the gospel. Over the next couple of months the missionaries will carefully lay out for the SIAR the truth of their condition before God, and culminate with the good news of their sure hope found in the sacrifice of Christ. In the next weeks we will be sending out emails highlighting the SIAR! The missionaries on the team came through Bible School when Hannah and I were working there! How Exciting!! Today they start!!! Pray with us that the SIAR will attend, listen, and understand!

We want to thank everyone for praying for us as we were traveling! Our Van ran well and we had no incidents on the road as we traveled! Thank you!

It was great to get reacquainted with a supporting church out west! We are just continually humbled by God's goodness shown through His people!

As you know, God has been showing himself gracious to our friend Dale Shaylor!!! How we thank God for His provision for Dale and for your prayers for Dale. He is doing well and recuperating. The last we heard is that God provided them a house to stay in while he rests. Katie, Dales wife shares just how wonderful it is to watch God provide in so many different ways! Thank you for being a part of their lives through your prayers!!!

Please continue to pray for our friend and former co-worker, Matt Cochran as he battles cancer!

Love,

Greg & Hannah
