

Teammates

Thank you for your prayers over the first two weeks of school. We had over 50 students at our house on the first Tuesday and many of those were new to the school. We have met international students from Nicaragua, South Korea, France, China, and Lithuanian. Our students are seeing areas that God is at work and are excited to join Him. Please pray for

- Our first large group meeting on Tuesday night
- Our ministry to the international students
- Our small groups and Discipleship groups (most are starting this week)
- Boldness and open doors to share the gospel on campus
- Our Fall Retreat at the end of the month

Thank you for your faithful part in the ministry
