

Wanted to let you know she's here! Amelia Grace McDaniels was born on August 16. She weighed 7 pounds 13 oz and was 21 inches long. She is absolutely beautiful and already adored by big sisters Molly and Claire! We praise God for this miracle with David & Mari. Papa Jerry & Grandma Joyce can't get enough time holding their newest little love!

Our family actually increased by 2 this week! The adoption of Ryan & Pam's little David (age 2 yrs) was completed last Monday. David Bravery Parsons makes them a family of six!

Thankful for God's unending goodness!
