

# JOURNEY WITH THE RAYS

## MAY 2011

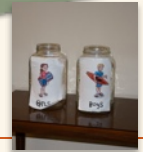

**SON SURF VBS**

NIKKI SHARING ABOUT PNG KIDS

WE HAD LOTS OF FUN!!

We had the opportunity to spotlight a child in PNG without the Gospel so the kids could remember to pray for them.

## Praises!

### VBS

#### Offering

We had a competition every day with the boys and girls to see who could bring the most change and the girls won! The kids brought a total of \$651.27 for our ministry. Praise the Lord!

### Mission Walk

#### Donations

We had over \$600 raised for our ministry. Praise the Lord! Thanks to all who walked.

### Tupperware Party

#### God provided

I picked out items that would be helpful in keeping critters out and everything I picked out God provided above and beyond. Yes, I even had enough sales that I got more bonus tupperware! Praise the Lord!

### Monthly Support

#### Increased!

Our prayer has been that God would continue to increase our support so we can reach the recommended 75% mark. We have seen it increase from 23% to 30%. We have seen some new people on our monthly voucher but we are not sure if they are one time givers so if you want to become a monthly giver would you let us know so we can include that in our percentage. Thanks so Much!

### WHAT HAVE WE BEEN UP TO?

**W**ell things have been Busy to say the least. Travis has been busy helping wherever he is needed, mainly he has been doing work for people in our church with roofing, drywall, framing, building decks, etc. We just finished up helping with VBS, Travis helped the kids with mixing the concrete for a craft project as well as taking pictures, etc. and I helped out in the Kitchen preparing snacks. We started a life group up that meets every Sat. night and we have really enjoyed growing in our relationships each other.

Our girls just went to a week long camp trip. Bad News.. it took them

about 3 days to recover! Good News.. Sierra's friend she invited from school got saved. Praise the Lord!

We are going to start our traveling to build our Partners in this ministry. We will be heading to Wisconsin this Monday the 27th and will stay for a week and then roll into Missouri for another week. Please be in prayer that God would add monthly supporters so we can be at the 75% mark by Jan. 2012. As of right now we are sitting at 30% of recommended support.

Thank You to everyone who is taking a part in this ministry! We have been so encouraged by you all!
