AND HERE WE GO!

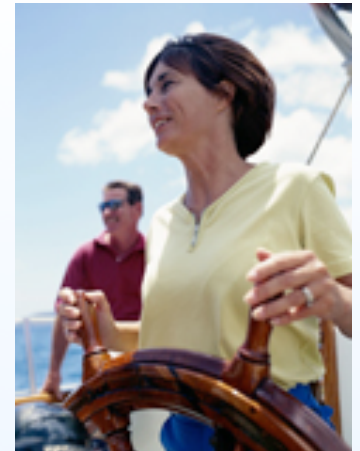

Well our family is 5 months away from heading to Papua New Guinea but our things set sail in September.

The next stage in our journey has arrived. We received notice in late July that the ship sales in September not October. We are packing, loading and preparing to send the items needed to live and work in Papua New Guinea.

We are now in need of financial help to finish purchasing a few more things as well as paying to ship our things to PNG. The estimated cost to ship is **\$4000.00**. We have **\$500** towards this bill so that leaves about **\$3500**.

If you would help out with this stage of our Journey please notify us or give to our New Tribes Mission account but please indicate that it is for "Shipping Cost."
