We wanted to ask for your prayers tomorrow (11/4/11). Missy goes in for pre-surgery prep at 6am and the actual surgery is scheduled for 7:15am. She is having her ACL ligament replaced in her left knee. Thanks for remembering her in prayer tomorrow. We appreciate each one of you and are trusting the Lord for a great surgery and speedy recovery. I will try to update everyone when I get a chance.

Hello everyone! Thanks so much for praying on our behalf as Missy had her surgery this morning. She is now home...actually was released around 10:30 and is still trying to clear the cobwebs from the anesthesia. Thankfully the anesthesia worked great and she didn't feel a thing, which was one of her main concerns! The doctor did say that while repairing her severed ACL ligament he saw that her meniscus was also torn. He said the surgery went great and the ACL is fixed along with the torn meniscus. Thanks so much for praying for us. Now for lots of physical therapy! We are thankful for you all!
