2011 Recap:

Can you believe we are nearing the end of this year? I remember when we left Missouri in Jan. and thought that we would be doing Partnership Development forever! Well, this year is almost over and we are less than 4 weeks away from moving to PNG. God has taken our weak faith in Him, and grown it by leaps and bounds over this past year by taking the impossible and making it possible with Him! We have learned more about God in this year

through trials and frustrations, blessings and encouragements. God really does care more about us getting to know Him than what we can do for Him. We are so thankful for getting the opportunity to sit down and share with many of you what God is doing and hope that you have been encouraged to see Him at work. When we first started this, we were in doubt as to how God was going to pull all of this together but it has been neat to see His Hand in everything. May you

look for God this New Year to show himself to you through the impossible!!!!

When they saw
the star, they
were overjoyed.
Matthew 2:10 NIV

Remember Christ this Christmas. Luke 1:32-33 "He will be great and will be called the Son of the Most High. The Lord God will give him the throne of his father David, and he will reign over the house of Jacob forever; **his kingdom will never end.**"

"For nothing is impossible with God" Luke 1:37
