

We hope you had a great Christmas and we pray for your new year that it will be blessed. We thank you for your prayers and support.

As we head into the new year we ask for your prayers. Next week we and some of our students will be going to Life impact conference, pray that God would be able to reach the students where they need. We also ask for prayers for the next semester, over the break some students were faced with a decision to trust in the gospel told to them before break. Some are telling their parents about summer missions they want to take this coming year, and one student is wanting to make a public declaration of his faith through baptism. We ask that Gods will be done in all these areas and that this coming semester will be the most influencing for the glory of God.

Thank you

dave
