

Bless the Wiedeman Family

We all know that hospital food can get old really fast! I have attached links for gift cards for both DoorDash and UberEats, that way they can order from any restaurant of their choice and have it delivered to them!!

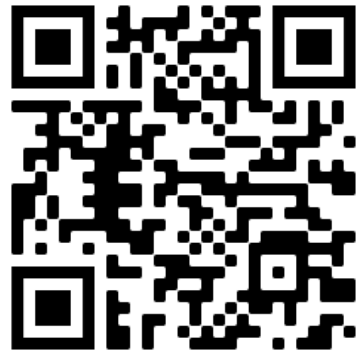

You can fill out the gift card online and have it sent directly to their emails! Let's bless this family with meals and one less thing to worry about so they can focus solely on loving on sweet Oaks when he is born!!!

Krista's email is: krista.wiedeman@gmail.com you can send all gift cards here!!

Door Dash

Uber Eats

If you would like to prepare a meal to give to the Wiedeman family upon their return home, please contact our Meal Ministry Director, Natalie Howard, at (308) 631-5429.

Shower the Wiedeman Family with Love

Mitchell Berean would like to shower the Wiedeman Family!

John and Krista Wiedeman and their 3 boys will be welcoming a new little boy named Oaks to their family in August. Oaks will be born with a genetic condition called Trisomy 9p and will be spending some extra time in the hospital in Denver after his birth.

We would like to help the Wiedemans out with some unexpected expenses that go along with their stay in Denver. If you would like to send them a gift card such as a Visa gift card or Target or Walmart card that would help out with Food and Travel and Hotel expenses during Baby Oaks stay in Denver, you can mail them directly to the address below or drop them off in the offering box and mark the envelopes "Baby Oaks."
