

JOHN & STACY KINGDOM SPORTS

February Udate

What is faith?

Faith isn't passive. It's active. Read Hebrews 11. Try to find one verse that says, "by faith, they watched."

Faith is a conviction expressed in a choice. It starts with belief, but if this "belief" does not lead to obedience, it is not yet faith. Your "belief" does not become true faith until you act upon it in obedience. Faith is belief in action.

God has directed so many steps in the last two months. By faith we have transition and below are some of the highlights of our current life:

- We still work for Kingdom Sports. We train coaches and athletes to compete biblically, counsel marriages in the sports world through Love and Abide Marriage Retreats, and disciple staff to thrive in their calling.
- We are transitioning from pouring into college students to the coach and spouse, by hosting Love and Abide retreats on Casper Mountain. Check out the promo video from two years ago. Watch Promo Video Here: <https://vimeo.com/1026584211>
- We now live in Casper.
- Chadron State is still running smoothly! We are in close contact with Zach and Nicky Banzhaf (Kingdom Sports Staff) and one intern soon to be two in May. The CSC huddle is growing in their biblical knowledge and competing for sports God's way!
- You continue to buy resources for the CSC students. Through your contributions we can keep having all the team Bible studies.
- Malachi has had a few bad days but other than that her health has improved drastically since moving to Casper!
