

RICK & FAIRY AWANA

Description of Ministry

Rick and Fairy Hattan both grew up in the Aurora, Nebraska area. As children they responded to the gospel; Fairy trusting Christ at age 5 and Rick at age 10. The Lord used the ministry of their local church and Bible camps to mold and guide their lives, fostering a love for the Lord. In 1985, having a strong desire to serve in full-time ministry, the Lord used that influence of children's ministries in their lives, as well as their involvement in local Awana Clubs over the years, to become Awana Missionaries for Nebraska and Southeast Wyoming.

With 40+ years of club and missionary experience, the Lord has used Rick and Fairy's creative, organizational and visionary gifting to start and strengthen over 200 local Awana ministries. They have a dream to see Awana clubs in their 100 counties so that the 500,000 kids of Nebraska and Southeast Wyoming will come to know, love and serve the Lord Jesus Christ.

Rick and Fairy live in Aurora, Nebraska and have four grown children and seven grandchildren.
