

# CLIFF & SHERRIE 2KNOCKS MINISTRY

## Description of Ministry

This is just a brief note to bring everyone up to speed concerning 2 Knocks Ministry. We have been moving at quite a different pace this year. The Lord has brought several new challenges to us by leading people to Him. We have also been busy in the counseling realm. Veterans continue to reach out for assistance with life and understanding God's word. We continue to collect items to assist others when they have issues with their housing situation (kitchen items). Our backpack program is on hold as we do not have the financial ability to work on that part of our program yet. We continue to spread the gospel throughout the veteran community along with tying our ministry in with the college ministry His Hill to reach the students and staff at Western Nebraska Community College. This year we have carried out another outreach program to assist with the Quilts of Valor program throughout the valley. Quilts of Valor allows Cliff to meet veterans firsthand and emcee the ceremonies. Cliff has been able to counsel couples on their upcoming weddings and perform those ceremonies as well. Thank you for taking the time to see what is going on with the 2knocks Ministry.
